that lease should be reinstated  
would you consider reinstating?

10:06 PM

No. It's too late. I'm in the middle  
of leasing it to someone else. I  
have a termination agreement  
with the receivers.  
Are you planning to get back into  
the trucking business?

Yes , if you are leasing it to  
someone else that's fine , how  
about the 6 acres for  
development.

10:09 PM

Honestly Sanjay. I think Reese  
isn't an option for you. After all  
we went through my board would  
never allow it.

I see . I understand that  
absolutely.

When the time is right I'll tell you  
all about what happened on my  
end.
